

65th Anniversary of the Carena in Viking!

Coloring Contest

Did you know the original skating rink in Viking was named after the unique idea of raffling off cars as a fund raiser to pay for the project?

In 2005 it was lost in a fire. In 2007 the Viking Carena Complex was built and named after the original building.

Draw and color a picture of what the Viking Carena Complex means to you?

- Do you come to skate?
- Do you play hockey?
- Do you visit the Library?
- Do you play in the Indoor Activity Centre?
- Did you go to Preschool here?

Coloring Contest open to all ages 0-18 years. Prizes will be awarded by age grouping and/or grade.

Contest closes May 19, 2018, prizes awarded at 2 p.m. at the Cake Cutting Ceremony at the Viking Carena Complex 65th Anniversary Celebration.
