# Rural/Farm Internet Service

In 2019 the Town of Viking became an Internet Service provider, that includes Rural and Farm customers.

Our versatile packages are customized to suit your needs.

Do you have a shop, bin yard or calving barn and need an Internet connection? We can connect these points in your farming operation, including your home.

We recognize the importance of technology in agricultural operations, and we are here to meet your Internet service needs.

## Step 1:

### Tell us where you need internet service:

- Primary residence
- Secondary residence
- Shop
- Bin yard
- Grain dryer
- Barns/Calving Barns

- Indicate where you need service and our Internet partner Nutec Electro Tel will provide you with an equipment quote.
- This quote will include the equipment & installation cost.
- Internet Data Package is not included in the equipment quote.

## Step 2:

### We have 3 Data packages to choose from:

- \$59.99 Basic** - 250 GB/month on 36 month Term
